Dear BCLL Community:

The Bennett's Creek Little League Board would like to extend a heartfelt thank you to all those who helped make our 2011 season such a success. We are extremely grateful for the hundreds of volunteer hours and support you all continue to lend for the betterment of our children. Without you and your support our organization would not be what it is today.

With the conclusion of the fall season, we are pressing ahead looking forward to the start of our spring season. We will be accepting online registration in the coming weeks. Please continue to monitor our website at <http://www.bennettscreek.org> for information on registering your children. Although online registration will be utilized for the upcoming season, please keep in mind that ALL PLAYERS – even returning players - will have to verify their residency and birth certificates with the BCLL board prior to practice/play. Further details will be posted on the BCLL website.

In keeping with the excitement of the upcoming 2012 spring season, BCLL is asking parents/community members who are interested in managing a team or becoming volunteers on the board to please contact Pamela Stark at 757-373-2418. Applications for managers and volunteers are also located on the BCLL website.

The BCLL board recognizes that our current economic state has affected everyone in some way. Please know that we are working diligently to maximize our resources. We are asking your assistance in boosters/sponsorship. If you know someone who could donate time or materials to our league or a company that would like to sponsor a banner on one (or more) of our fields, please contact Lisa Williams (Director of Ways and Means) at 757-288-2370.

The BCLL mission has always been, above all else, to establish a nurturing, safe and constructive environment where players are able to develop and hone their athleticism and sportsmanship. If there are ever any questions or concerns, please do not hesitate to contact the board members of BCLL. We are a nonprofit organization here to serve our players and our community. We look forward to an exciting and fulfilling season for all of our players.

Cordially,

Pamela Stark
BCLL Vice President
